Air Dancers

Description:

If you are open for business but having trouble getting attention, the Air Dancers® brand of inflatable tube men with your brand digitally printed down their body might be right for you. This product is guaranteed to turn heads, grab attention, and create smiles. Available in 6ft, 10ft, or 20ft sizes.

Our inflatable dancing guys are made of premium materials and connection components to give our customers durable, long-lasting, perfect every time promotional advertising products. The 10ft and 20ft are great for use in your parking lot or outside in front of your location. For indoor use, the 6ft inflatable tube man will add excitement to your sales event or promotion.

A blower is required for use and each attachment is compatible with 9", 12", or 18" inch blowers.

3x5 Vinyl Banner

Description:

Increase sales and grab the attention of your customers with custom vinyl banners. Vinyl banner printing is a cost-effective advertising tool. They are widely used for trade shows, parades, marathons, retail storefronts, and more. These high-quality banners can be used for indoor and outdoor settings. Vinyl banners are a great way to gain exposure for your business and promote sales.

Our Custom Printed Vinyl Banners are crafted using a premium heavyweight 13 oz. scrim vinyl. It has a very smooth surface for the best printing results. This material is typically used for billboards, building wraps, banners, event flags, trade show signage, parades, etc.

All Banners come with hemmed edges and optional grommets

8x8 Step & Repeat Backdrop

Description:

The Custom Step and Repeat Banner is perfect for trade shows, red carpet events, and other large-scale events with photo opportunities. These custom banner backdrops add an excitement factor to any event. Some businesses will use these banners as a cost-effective way of advertising their business. The signage can be used for promotions and events, giving businesses more value for their money. With custom step and repeat banners, businesses can notably display their brand logos across the banner. This will help increase exposure and boost brand awareness. Our custom step and repeat backdrops will help your business generate the attention and exposure it needs.

These vibrant backdrops are made using 240g knitted polyester and are printed in full color using our special dye sublimation process. These stands have telescoping diameter poles that extend out, meaning they are adjustable to certain sizes. The stand also includes a nylon carrying case.
