Terms & Conditions: Quote is based on current market rates and is valid for 30 day. The listed pricing includes setup and run production charges, bulk packaging, ocean freight and regulatory samples, unless otherwise noted. It also includes up to two paper proofs and pre-production samples based on client supplied artwork. Additional artwork charges, proofs, or samples required for production approval may result in additional charges.

The listed pricing does NOT include any kitting or packaging unless specifically called out in the quote above. These services are available upon request at an extra charge. Quantities of 3% over or under are considered acceptable. If exact quantity matches are required, additional charges may apply.

Payment information such as a PO or credit card number is required before processing an order.

Services will be billed at the time of service, or upon shipment of the goods, at BDA's discretion. Products will be billed at the time of shipment. If staggered shipments are requested or required, they may be invoiced separately at the time of shipment. Payment terms are Net Thirty (30) days from the invoice date.

Freight: Please note the above pricing does not include freight, unless specifically noted.

Taxes & Duties: The listed pricing does not include any applicable taxes or duties. Duties and taxes will be charged based on country and/or government laws. If tax exempt or have resale certificate, please provide prior to placing order.

Tariffs: The price quoted is based on the prevailing base tariff rate in effect as of the time of the quote. Any increase in the applicable tariff rate will result in an adjustment of the price to reflect the actual duty due at the time of import

Production Time: Production time is in business days and starts after proof approval. Actual production time may vary based on final art specifications. Client approvals are required to keep production timelines on track. Delays in receiving client response or approval may cause delays in production or may cause additional charges to apply.

Force Majeure: Neither party hereto will be responsible for any failure or delay in the performance of any obligation hereunder if such failure or delay is due to a cause beyond the party's control, including, but not limited to acts of God, global pandemic, flood, fire, volcano, war, labor disputes, labor shortages, material shortages, shipping capacity, logistics delays or governmental acts.

ALERTS: Dynamic market conditions are rapidly impacting global air and ocean freight shipments and the quoted rates, charges and transit time reflect information available at the time of this quotation and may be subject to change. BDA will confirm current pricing and transit time at final booking. Market volatility may impact the availability of services at origin and destination. Please confirm origin and destination transportation capacity, charges, and delivery availability before final booking of shipments, as available logistics capacity is reduced, and delivery facilities may be experiencing unexpected closures. All shipments are subject to additional transportation, storage, demurrage and detention charges and the full extent of such charges may not be known until delivery is complete.
