BAGS & *Basics*

DUFFEL BAG

This travel bag is made from a water-repellent PU material containing at least 50% recycled content. Padded carrying handles, an adjustable shoulder strap and a handy trolley strap allow for a variety of carrying options. Internal and external compartments ensure that clothes, electronics and essentials are stored in an organised manner.

WATERPROOF POUCH

Waterproof smartphone case made from durable PVC with touchscreen functionality, allowing you to use the screen comfortably without removing the device from the case. The reliable lever-lock system protects against water and moisture, whilst the case is suitable for smartphones up to 6.7 inches. Comes with a handy lanyard and carabiner.

BEACH TOWEL WITH DRAWSTRING BAG

Lightweight, absorbent and perfect for days at the beach or summer holidays: this towel set combines comfort with a handy drawstring bag for easy transport. The fabric blend of 70% cotton and 30% polyester ensures a soft feel and has quick-drying properties. Measuring 90 x 160 cm, it's ideal for the beach, the pool or the spa.

THERMO BOTTLE 500ML

High-quality stainless steel thermos flask with a 500 ml capacity, a modern striped pattern and a practical Easy-Click lid. The double-walled construction keeps hot drinks pleasantly warm for up to 8 hours and cold drinks cool for up to 24 hours – ideal for on the go, at the office or whilst exercising. Individually packaged in a stylish gift box.

SUNGLASSES

These Wayfarer sunglasses reinterpret a classic look whilst making use of more sustainable materials. Made from 100 % recycled polycarbonate, they combine timeless design with a more conscious use of resources. The robust material is particularly durable and retains its shape well, and can be reprocessed thanks to its recyclability.

BEACH BAG

The perfect companion for your next trip to the seaside or the pool. The marl fabric, combined with high-quality PU details, gives the bag a modern, elegant look that goes far beyond that of a classic beach bag. Ideal for summer outdoor activities where both function and style are equally important.

RAMBLER®

This double-walled, vacuum-insulated flask reliably keeps drinks cold or hot right down to the last sip. The sturdy stainless steel is rust-resistant, dishwasher-safe and particularly durable. The practical Chug cap makes it easy to drink on the go, whilst the No Sweat™ surface keeps your hands dry.

GLASS SILICONE SLEEVE STRAW BOTTLE

Whether you're out and about, in the office or at the gym – the Juno water bottle, made from sturdy borosilicate glass, offers a stylish and more sustainable alternative to plastic. With a 590 ml capacity, a handy carrying handle and a hygienic cap, it's ideal for cold drinks in everyday life.

WIDE OPEN *Spaces*

UNISEX ANORAK JACKET

A modern rain jacket made from 100% recycled polyester with a fluorine-free, water-repellent DWR coating. An adjustable hood, elasticated cuffs, zipped pockets and an extended hem provide reliable protection from the elements.

FISHERMAN HAT

A lightweight, water-repellent polyester fishing hat for relaxing days outdoors. Thanks to the handy storage pouch with an ABS carabiner, it can be stowed away quickly and is always to hand. Fabric weight: 64 g/m².

HAMMOCK

Hammock (270 × 140 cm) made from robust, recycled nylon. It offers impressive stability and comfort and can support up to 200 kg. Features hard-wearing attachment straps, metal carabiners and an adjustable carrying strap for easy transport.

PICNIC BACKPACK

Picnic rucksack for up to four people, featuring a cooled bottom compartment, cutlery, a waiter's corkscrew, a chopping board, a bread knife and a picnic blanket. Made from hard-wearing, cationically dyed polyester with a modern look, perfect for your next day out in the countryside.

BARBECUE APRON

A sturdy barbecue apron made from hard-wearing 600D polyester, complete with three handy barbecue tools and a heat-resistant glove. Thanks to the built-in pockets, all your bits and bobs are within easy reach at all times – with this apron, bring on the next garden party!

PORTABLE SOLAR PANEL

This compact 10 W solar panel is perfect for camping, festivals and outdoor adventures. With a dual-fold design, it charges smartphones, power banks and other USB devices directly using solar power. It features highly efficient monocrystalline solar cells, USB-A and USB-C ports, a built-in stand, a charge indicator and a waterproof IPX6 casing.

CAMPING LIGHT

The various lighting modes on this compact lamp provide either atmospheric or focused lighting, depending on your needs. With a battery life of up to 10 hours per USB-C charge, it's a must-have for camping trips.

SURVIVAL FIRE STARTER

The survival lighter is the ideal companion for camping, trekking and any outdoor adventure. The multifunctional stainless-steel scraper – complete with a ruler, bottle opener and hex key – is incredibly versatile. A practical must-have for anyone who wants to be fully prepared, even when out and about.

GAME DAY

Flow

CUSTOM BRANDED PORTABLE FOOTBALL COOLER WITH WHEELS

Bring an extra dose of excitement to your summer get-together with a cooler featuring a table football game right up top. Includes wheels for easy transport. Handle lowers for storage. Game pieces and handles built into lid. Single logo print on side.

STOVETOP ESPRESSO MAKER

For an authentic Italian coffee experience on a hob or camping stove. Fitted with a lead-free safety valve from Italy and a heat-resistant soft-touch handle with burn protection. Suitable for gas, electric, propane and glass hobs (not suitable for induction hobs). Perfect for up to 6 cups of espresso and ideal for enjoying coffee together. Hand washing recommended.

ANTI-STRESS-RINGS

A magnetic anti-stress toy featuring four coloured rings that can be moved around in a playful way. The smooth rotating movements promote relaxation and concentration, whilst the rings can also be used individually or together as spinners.

BEACH TENT

Beach tent for 2 people, made from hard-wearing 190T polyester. Provides shade and protection from the sun, is quick to pitch and comes complete with 6 steel pegs and a carry bag.

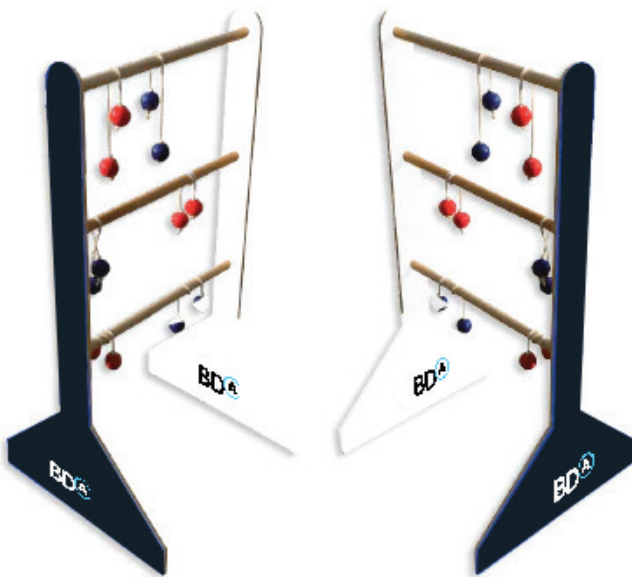

PORTABLE BARBECUE

This stainless steel barbecue impresses with its robust build and compact, well-thought-out design. The multi-level grill rack allows for flexible barbecuing and optimal heat distribution, whilst the sturdy base ensures it stands securely. Ideal for on the go, camping or use in the garden – easy to transport and quick to set up for hassle-free barbecuing.

WINE BOTTLE COOLER

The wine bottle cooler, featuring an elegant melange design, keeps your drinks pleasantly cool. Simply chill it in the freezer before use, then slip it over the bottle. Made of durable polyester with elastic side panels, the cooler adapts perfectly to different bottle sizes.

LADDER BALL TOSS GAME

Bring some exercise and fun to any outdoor event – this classic ladder ball-throwing game offers a sporting challenge and entertainment for everyone. Made from sturdy wood and featuring wide feet, it provides the ideal surface for custom branding.

PICNIC BLANKET

Picnic blanket made from recycled rPET with a water-repellent underside. Features a zipped pocket, a handy carrying handle and can be rolled up compactly. Ideal for picnics, day trips and relaxing outdoors.

AWAY WE Go

BACKPACK TROLLEY

Flexible on the go – the Bobby rucksack trolley combines the best of both worlds: a rucksack and a trolley. The built-in anti-theft features and TSA® lock ensure security, whilst separate compartments for clothes, a laptop and business essentials. Keep everything neatly organised. Made from RPET.

SLING BAG

A minimalist shoulder bag with two zipped compartments and a mesh pocket for your essentials. Adjustable strap for wearing over the shoulder or around the waist. Made from bluesign®-certified 400D nylon with a PFC-free, water-repellent coating, YKK zips and reflective details.

MULTI ADAPTER POWERBANK

With a capacity of 3,000 mAh and built-in charging cables, this 3-in-1 power bank ensures your devices are always powered up. It is compatible with almost all smartphones and can comfortably be recharged. The casing, made from recycled materials, combines practicality with a more sustainable choice.

TRAVEL FLANNEL BLANKET AND PILLOW SET

This 2-in-1 travel blanket can be transformed into a comfortable pillow in no time at all. The soft flannel fabric, weighing 220 g/m², ensures a pleasant level of comfort, whilst the practical carrying strap and handle, made from robust 600D RPET polyester, make it easy to transport.

EYEMASK PILLOW

Whether you're travelling by plane, train or car, this travel pillow with a built-in sleep mask ensures greater comfort and restful breaks whilst on the move. After use, the set can be folded up compactly and stowed away to save space thanks to its zip.

3 PIECE PACKING CUBE SET

A set of packing cubes for neatly organised luggage. The packing cubes, which come in different sizes, offer space for clothes and travel essentials, can be nested inside one another to save space, and are made from recycled PET. They feature practical carrying handles and AWARE™ Virtual ID for transparent material traceability.

WEEKEND BAG

The Weekender offers ample storage space for clothes, electronics and travel essentials, whether you're off on a weekend break or a business trip. The waterproof PU material is highly durable and has a pleasantly smooth surface.

TRAVEL ADAPTER

With this compact travel adapter, you'll be well equipped for over 200 countries. It's ideal for smartphones, cameras, electric razors and other non-earthed electrical appliances, and is compatible with sockets in the USA, the UK, Europe, Australia, China and Japan, amongst others.

READY SET *Show*

SUNSCREEN SPRAY SPF 30

Sun protection spray with SPF 30 for reliable protection of the skin against harmful UV rays. Thanks to its generous print area, the spray is ideal for personalised branding and ensures an eye-catching brand presence.

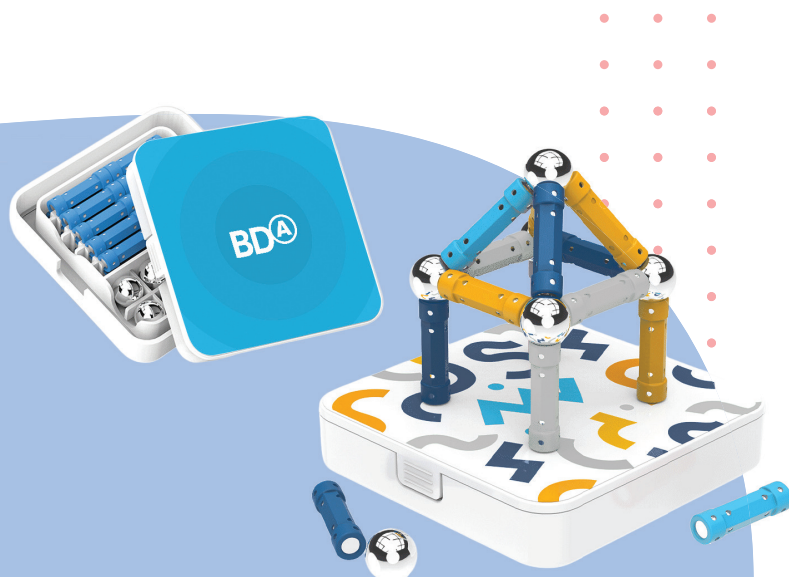

RPET DRINKING BOTTLE

This lightweight and sturdy bottle, with a capacity of 750 ml and a practical PP screw-on lid, is ideal for everyday use, the office, sport or when out and about, and promotes a more sustainable choice through the use of recycled material. Not suitable for carbonated drinks.

TURBO MINI FAN

Compact mini fan with a brushless high-speed motor and stepless speed control for personalised cooling on the go. The fast-charging function ensures a high level of convenience. Ideal for personalised branding thanks to its high-quality engraving surface.

MINISculPT

MiniSculpt creative set with magnetic rods and metal balls for creating ever-changing shapes and figures. The magnetic base serves as both a stand and a storage box. Standard version in white, also available with multicoloured rods. Not suitable for children.

WHEATSTRAW CUP & STATIONERY SET

A handy set comprising a 370 ml PP cup with a measuring lid, a wheat straw notebook with 70 lined pages, an elasticated closure and a matching ballpoint pen with blue ink. Packaged in an attractive kraft paper design box.

NEOPRENE BEACH BALL

Inflatable beach ball with a durable rubber core and a soft neoprene surface for a comfortable playing experience. With a diameter of 16 cm, it is ideal for the beach, the park and the pool. Includes an inflation needle.

BIKE BAG

A saddle bag made from hard-wearing 600D RPET with a marbled finish. Features a zipped main compartment, reinforced piping and adjustable Velcro straps for easy attachment to the bike. Made from recycled material for greater sustainability.

BIKE REPAIR KIT

15-piece bicycle repair kit for quick breakdown assistance on the go. Comes in a sturdy 600D polyester bag with a Velcro fastening, including a tyre lever, multi-tool and puncture repair kit. Ideal for cycle tours and everyday use.
